## PORTLAND OR

Ground Breaker opened in 2011 as the first dedicated gluten-free brewery in the United States. Their approach to making superior gluten-free craft beer is a simple one: *use only premium ingredients which are naturally gluten-free.*

**CERTIFIED GLUTEN-FREE** by the Gluten-Free Certification Organization. Ground Breaker is entirely gluten-free. No gluten-containing items are allowed into the brewery or taproom.

**OATS, CORN + GMO FREE!** Ground Breaker never uses corn derived sugars or coloring agents. And, all of Ground Breaker Brewing's beers are vegan.

Ground Breaker Brewing hand-crafts their 100% gluten-free beer with naturally gluten-free ingredients from Eckert Malting & Brewing, Grouse Malt House, and Ancient Brands Milling.

Ground Breaker was founded on the conviction that anyone who wanted to participate in craft beer culture should. We opened our doors in 2011 with one beer; Pale Ale. Brewed to be bright, crisp, and pleasing to a wide audience of craft beer enthusiasts. The recipe has improved but the spirit remains the same. Raise your glass high and toast to craft beer inclusion.
